32nd Marines Brigade, Greece

Completed military service

○ 10/2018 - 04/2019

Hellenic Defense Systems, Aigion, Greece

ICT Network Technician (Internship)

During my brief internship, I took on the responsibility of providing IT support services, addressing a variety of technical needs. Additionally, I efficiently oversaw operations within the SAP ERP system, ensuring smooth processes. I also demonstrated precision and effectiveness in carrying out daily tasks.

○ 06/2021 - Currently

N.P.D.D. Aigialeias, Aigion, Greece

Elementary-level IT Teacher

Dedicated elementary-level IT teacher with a passion for fostering digital literacy and a student-centered approach. Experienced in creating engaging curriculum that imparts fundamental computer skills and some level of programming to young learners. Committed to cultivating a positive and inclusive environment that encourages exploration and confidence in the realm of technology.
